ABOUT THIS COLLECTION

Big Wall Ready

Every piece in this book comes from a master file at least 7,200 pixels on the long side, so it prints 48 inches or larger at 150 dpi straight from the original. Several print beyond 72 inches.

BEST FOR

Large lobbies, atriums, ballrooms, restaurant feature walls and multi-story spaces

SIZES AND PRICING

Prices are per print, by the long side: 24" $450, 36" $850, 48" $1,450, 60" $2,200, 72" $2,900. The short side follows each image's proportions. Sizes above the master file's native 150 dpi size are produced from a professionally enlarged master. Framing, finishes and shipping are quoted separately.
